## **LIMITATION OF LIABILITY**

Considering that the internet is an open network, Website Operator disclaims any liability for the destruction, delays, or any other failure of any messages transmitted in electronic form, or any other kind of information.

Website Operator is not responsible for any damage that comes from a fault on the website - inappropriateness, system error, improper operation, or malfunction caused by reasons beyond Website Operator's control or by third parties.

Website Operator disclaims all liability to the extent allowed by applicable law for any damage, disadvantage, and failure caused directly or indirectly by or as a result of the use of the website.

## **COOKIES**

We firmly believe in being clear and open about how we use any kind of information. This policy provides detailed information about how and when we use cookies.

Cookies are small text files stored on your computer. They are used for many things, such as remembering whether you have visited the site before, general information about your computer settings, your IP address, or your browsing patterns. Even if they contain information about the use of your computer, they do not include any personal information about you. To find out more about cookies please visit <http://www.aboutcookies.org/>.

We use cookies to help us understand how our visitors use our webpage, so we can keep improving our website. For better understanding, we use Google Analytics provided by Google LLC. The information generated by these cookies is transmitted to and stored by Google on geographically dispersed servers. Google will use this information for compiling reports for us on website activity. Please note that Google only receives your truncated IP address. This is sufficient to identify the country from which you are visiting our site but is not sufficient to identify you individually. Some cookies are essential to the proper functioning of the website. These cookies are automatically deleted from our visitors' devices as soon as they quit their browser.

### **Cookie types:**

Cookies used on our Google Analytics account include the Global Site Tag (gtag.js) and the Javascript tracking snippet (analytics.js) which tracks visitor behavior and transmits data to Google Analytics.

Information that these cookies process includes:

- Total time a user spends on the website
- The time a user spends on each page and in what order those pages were visited
- What internal links were clicked (based on the URL of the next pageview)
- Geographic location of the user (based on IP address)

- What browser and operating system is used
- Screen size and whether Flash or Java is installed
- The referring site
